

MH. PARVEZ

FRONTEND DEVELOPER (REACT)

PROFILE

A React and Next.js developer with 2 years of experience building scalable frontend applications. My core skills include component-based architecture, state management, and leveraging Next.js features like SSR and SSG for optimal performance. I am adept at integrating with backend services and ensuring a seamless user experience. I am a quick learner, committed to best practices and contributing effectively to development teams.

WORK EXPERIENCE

E-COMMERC WEBSITE :

- Developed responsive e-commerce platform using React_JS.
- Implemented Product Catalog, Shopping Cart functionality and user authentication.
- Ensured a seamless and engaging user experience through.
- Attractive Admin Panel
